

Dear Parent/Carer

Canon Lee - Top 40

I thought you would like to know we have just been informed that Canon Lee has been listed in the top 40 most improved Specialist Schools and Academies for the whole country. This is for the improvement we have made in students achieving 5 or more A*-C grades including English and Mathematics. Over the past three years we have seen our results rise to 47% which is above the average for both Specialist Schools and all other schools

As you may be aware the vast majority of schools in England are now Specialist Schools or Academies, being listed in the top 40 of these indicates what a super achievement this has been.

Achievements of this nature really reflect the super work of our students, the support of their parents and the energy and enthusiasm of our staff. We look forward to seeing our current students continue achieving at these levels; your support in this is critical.

Next Half Term

School will re-open after half term on Monday 18th February at the normal time. We close to students for the Easter break on Wednesday 19th March; Thursday 20th March is a staff training day.

In-school Isolation

We are committed to continually review our procedures and are currently further developing our behaviour policy. As a part of this process we intend to introduce a formal isolation area which will be targeted towards the minority of students who fail to follow the 'Canon Lee Code'. This will operate initially on fixed days during the week and will mean students remain in isolation for the entire day. If you would like to discuss this further please let me know.

...and finally.

Thankyou for your continued support, it is super to see our achievements recognised through the Specialist Schools and Academies listing, we aim to see this level of achievement continue into the future. Your continued support in this is essential.

Yours sincerely

K R Deadman
Headteacher
